Members of the Paxton Village Board hosted an Open House at the Paxton Community Center this past Saturday afternoon, to show the community the renovations that have taken place to the Community Center since this past spring. The Village of Paxton was the recipient of a \$14,554 grant from the Nebraska Energy Office. **(Continued on page 4)**

The purpose of the grant was for improving energy efficiency in public buildings. Renovations to the Paxton Community Center included new windows, doors, drywall and insulation.

The building may be rented for business meetings, community meetings and social events. Persons interested in reserving the building for an event are asked to call Margaret Gifford or Lori Gamet. Rental Charges are \$8 for any part of the morning, or the afternoon, or the evening. The full day rental fee is \$24. Senior Citizens activities may be held in the building free of charge.
