

Nebraska Gasoline and Diesel Prices

Nebraska's average retail price of gasoline fell 3 cents to \$1.94 with metro prices ranging from \$1.88 in Columbus to \$1.99 in Kearney. Midwest gasoline stock levels remain in the normal range.

Nebraska's metro diesel prices ranged from \$2.03 in Columbus and Grand Island to \$2.13 in Kearney with the state average falling 3 cents to \$2.10 per gallon. Midwest distillate fuel inventories fell below the normal range but are expected to begin building since most refineries are coming back on-stream following their fall maintenance. Maintenance had continued into the early part of November which is not normally the case.
