

# States Shipping Coal to Nebraska in 2007

In 2007, 99 percent of the coal transported to Nebraska for electricity generation, industrial plants, and the residential and commercial sectors came from Wyoming. The entire coal supply for the state was imported domestically by railroad. All of the coal was [subbituminous](#).

## Coal Shipped into Nebraska by State of Origin, 1989 - 2007 (Thousand Short Tons)

| Year | Colorado | Indiana | Kentucky | Montana | New Mexico | Pennsylvania | Utah | West Virginia | Wyoming | Totals |
|------|----------|---------|----------|---------|------------|--------------|------|---------------|---------|--------|
| 1989 | 159      | 3       |          | 109     |            |              |      |               | 7,465   | 7,736  |
| 1990 | 60       |         |          | 131     |            | 1            |      |               | 7,950   | 8,142  |
| 1991 | 59       |         |          | 150     |            | 4            |      |               | 8,583   | 8,796  |
| 1992 | 67       |         |          | 142     |            | 2            |      |               | 7,882   | 8,093  |
| 1993 | 72       |         |          | 136     |            | 2            |      |               | 8,801   | 9,011  |
| 1994 | 77       |         |          | 71      |            |              |      |               | 8,908   | 9,056  |
| 1995 | 104      |         | 3        | 205     |            |              |      |               | 10,065  | 10,377 |
| 1996 | 56       |         |          | 113     | 92         | 1            |      |               | 10,464  | 10,726 |
| 1997 | 65       |         |          | 47      | 68         | 4            |      |               | 9,198   | 9,382  |
| 1998 | 97       |         |          | 81      |            | 11           |      | 5             | 11,661  | 11,855 |
| 1999 | 20       |         |          |         |            | 8            | 3    |               | 12,226  | 12,257 |
| 2000 | 126      |         | *        |         |            | 1            | 21   |               | 11,041  | 11,189 |
| 2001 | 162      |         | 123      |         |            | *            |      | 615           | 12,749  | 13,647 |
