

Average Wholesale Propane Prices in Nebraska

[Analysis](#) | [Heating Season](#) | [Off Season](#) | [Midwest Region](#)
[Graph](#) | [Prices](#) | [Annual Report](#) | [Residential Prices](#)

Analysis

The average wholesale [propane](#) price on November 14, 2005, had fallen almost seven cents from last week to \$1.02 per gallon (see the [table](#) at the end of this report). The [graph](#) below shows the spread in Nebraska prices from month to month and from this year compared to previous years. This week's average price was 4 cents (or 4.1 percent) higher than the price at this time last year.

Other [states](#) in the Midwest Region had comparable wholesale prices ranging from \$0.99 to \$1.06 per gallon with the region averaging \$1.03. States adjacent to Nebraska, such as Kansas, South Dakota, Iowa, and Missouri, had prices of \$1.01, \$1.03, \$1.03, and \$1.02, respectively.

With 24.1 million barrels, the Midwest Region inventory level was in the normal range for this time of year.

Notes: The [annual report](#) for the 2004-2005 winter season is available. An [archive](#) houses annual reports from previous years.

Heating Season

The Oil Price Information Service collects wholesale [propane](#) prices each week for Nebraska and eleven (11) other states in the Midwest Region during the heating season (October to March). The [Energy Information Administration](#), the independent statistical and analytical agency within the U.S. Department of Energy, uses the prices collected by the Oil Price Information Service to calculate a state average price, a regional average price, and a national average price which can be seen in the report [Wholesale Propane Prices by Region and State](#).

Off Season

Prices are not collected during the off season (April through September).

Midwest Region

For statistical purposes, the Energy Information Administration defines the [Midwest Region](#) to include the states of Iowa, Illinois, Indiana, Kansas, Kentucky, Michigan, Minnesota, Missouri, Nebraska, North Dakota, Ohio, Oklahoma, South Dakota, Tennessee, and Wisconsin.
